Dedication

Devoted husband, dependable and unselfish parent, volunteer in America's Armed Forces, dedicated instructor of thousands of students, determined champion of the teaching profession—all these were the commitments in Paul Fernberg's life.

His personality was enviable, for behind the seriousness of purpose rose a humor often relieving the drabness of a stormy Monday morning or the consuming fatigue of a Friday afternoon. Recently, he had traded his trademark cigar for out-sized bow ties of colorful hue. His friendliness encompassed newcomers as well as old-timers. He addressed the entire staff with smiles and jovial remarks.

During the eleven years Paul Fernberg resided and instructed in North Attleboro, he gave unstintingly of his time and knowledge. His work here is completed; we grieve for ourselves knowing the void in our daily lives cannot be filled.

As we enter the 1980's, we have become increasingly aware of the changing times. One decade has passed and another lies before us inviting speculation. At such times as these we are tempted to look back with fondness and ahead with concern. Yet wherever our paths may

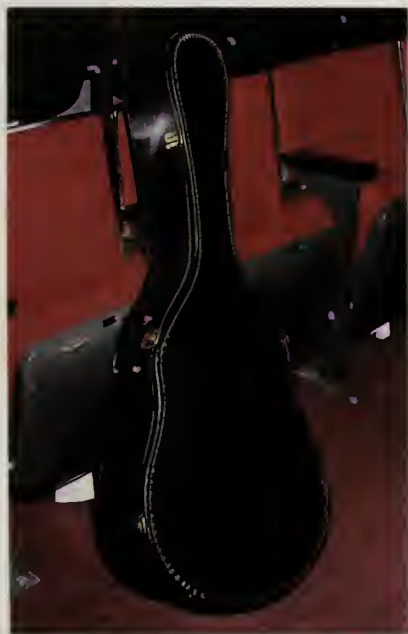

Where Have We Come From,

wind we shall always be bound to each other in some small way. Between us there is a common stock of shared experience, and we may build with it if only we seek to learn how. Thus we begin with a question: exactly what is North High? Where have we come from, and even so, where are we going?

Where Are We Going?

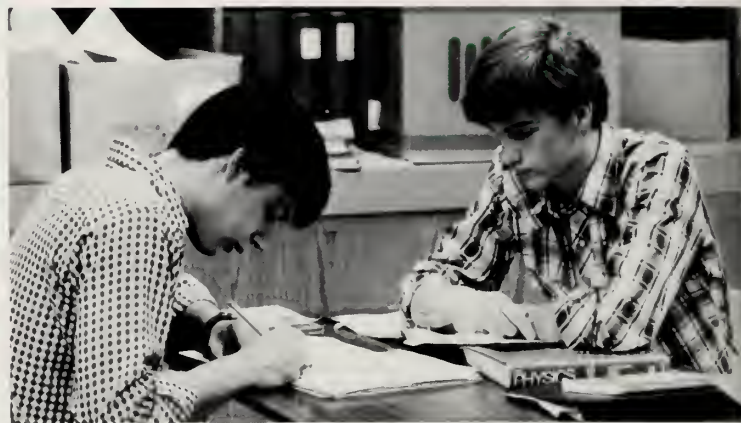

81

If we do pursue common goals,
one may be to search for understanding.

This is, after all, the principal
reason that we are here. Too often, we
are forced to "understand" as
when we are reprimanded. Some of us, however,
are motivated by academic challenge
and willingly explore the problems

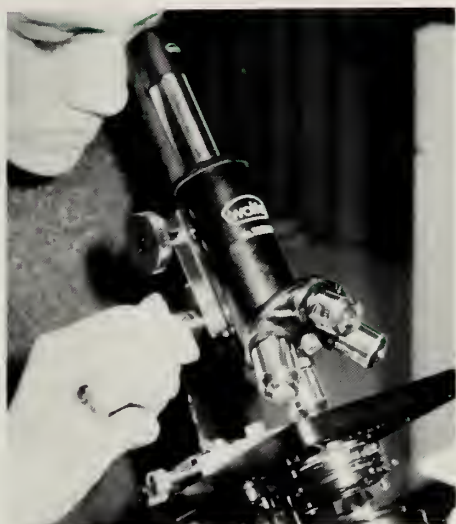

Direction . . .

set before us. A few of us give time to helping others understand. The need to constantly rediscover the world's truths is a most essential quality inherent to us all. It is a spark that first must be nurtured, then allowed to Burn brightly so as to illuminate the paths that lie ahead.

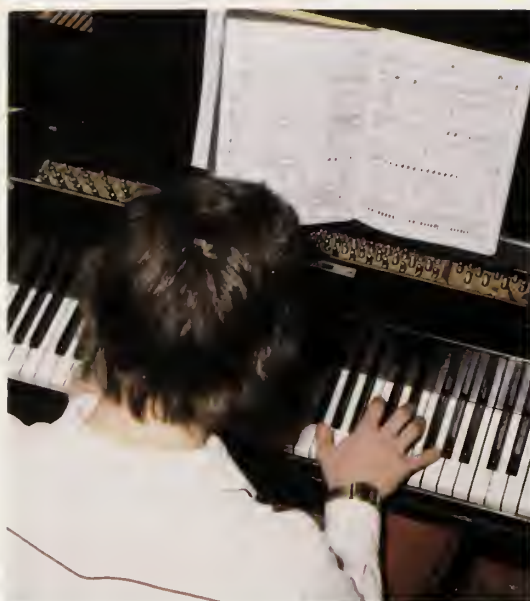

Understanding?

81

We all possess imagination,
the ability to dream anything we
wish. Yet we may not all direct
ourselves in pursuit of our dreams.
Some of us have realized our
talents, utilizing them in a
number of ways—painting, writing.
Singing—each seeking

Direction . . .

his own mode
of expression. Some use vivid
imagination to get out of, or into,
unique situations. However imagin-
ation serves us, it will always be
with us, both guiding our lives
and providing a glimpse of fantasy
whenever reality turns cold.

Imagination?

81

*Bright lights
Dim shadows
Contrasting
Streams of color
Meeting to discover
Scattering to recover
a moment
Again.*

The competitive spirit is widespread at North High, and it is extremely contagious. Whether at a football game or a college bowl, NAHS students play hard, fight to win, and, most importantly, try to have fun doing so

Direction . . .

Although
its expression may vary,
the desire to compete and
excel lies within us all—
spectator as well as par-
ticipant. its incomparable
force provides the will to endure
as we strive to clinch the prize.

Competition?

81

In analyzing ourselves,
we have considered many
possible "directions"
which we may follow—to
understand, to imagine, to
compete. Each of these
is only one

Direction . . .

facet of the
whole force which guides us.
We will continue to search
for our goals, to dare and
to dream until we have found
where we have come from,
and where we are going.

Senior Prom

On February 18, 1981, the Class of '81 began a "spring" of activities when the Sheraton-Mansfield hosted the Senior Prom. The theme song was "Lady" by Kenny Rogers, and music was provided by *Eternity*. After a reception and photographs, couples enjoyed a buffet dinner before the evening's coronation. In a tearful ceremony, Seniors crowned Gretchen Schofield as their queen, and she and her court reigned over the dance floor until midnight.

The judges had some difficulty in deciding upon who would be this year's prom queen. Tim Crosta was named the unofficial queen because of the overwhelming number of votes he received. He was presented with a crown and bouquet, then he graciously paraded about the dance floor while Dan Plumb sang his unique rendition of "Miss America".

This truly was a fun-filled time and one that the prom-goers always will remember. This year's class, however, made sure that their Prom would be unforgettable by filming the event. The movies then were shown at class day and will be shown again at the fifth-year reunion of the Class of '81.

Once again the Honor Society organized the annual Awards Assembly which was held on May 20, 1981 in the auditorium. Honor Society president Pam Alix welcomed the students to the assembly. This year, a United States Air Force officer attended the assembly to award senior Vince Jodoin with a distinguished Air Force scholarship. Vince was selected out of a large number of applicants to receive the generous four-year ROTC Scholarship.

As the assembly closed, the 1981 yearbook was dedicated to Mr. Paul Fernberg. Also, Student Council members Lynn Billinghoff and Lauren Tullie presented Mrs. Fernberg with a special plaque. A flowering crabapple tree was planted near the school in his honor.

This year's senior class chose June 3, 1981 as its special day. In the morning, teachers and students attended the Informal Class Day Assembly which was held in the gym. Seniors were reminded of their earlier school days by Lynn Billinghoff and Kim Kelly. Lisa Herman and Mike Patch "handed down" the superlatives, and Bob St. Pierre and Jennifer Copley set the crowd in stitches with their rendition of the Class Will. A slide show was also presented; its soundtrack featured the current *Styx* tune "The Best of Times."

The Formal Class Day Assembly was held that afternoon and was attended by parents and friends of the graduates. Class essayists Michele Marshall, Kelly Gilbert, and Karla Hanson read prepared speeches before a packed house. The crowd was entertained by choir soloist Michael Kelley and a selected choral group that sang the Class Ode.

Graduation exercises were held under bright blue skies on Sunday afternoon June 7th. The members of the Class of '81 braved an agonizing breeze that threatened to wisp away

their caps, and marched onto the football field with pomp and circumstance. Guest speaker Judge Thomas Quinn emphatically denounced society's influence on today's children (especially noting the dangerous effects of television on its younger viewers). Valedictorian Pam Alix wished her classmates "Success," and Salutatorian Marco Protano spoke of these as "The Best of Times." Also, Principal Kelly announced the recipients of local scholarships. As the last diploma was presented, graduates cheered and tossed their caps into the summer sunshine.

The Class of '81 gathered for one last time on the evening of June 8th for the Senior Supper and Reception held at the King Philip Ballroom. When the dinner was over, graduates gathered outdoors and then marched into the ballroom before their parents and friends. They then formed a receiving line outside and were wished well by all who attended. Later in the evening the crowd was amused by a solo musical performance by Paul Godin. All in all the reception was a success.

SPORTS

Baseball

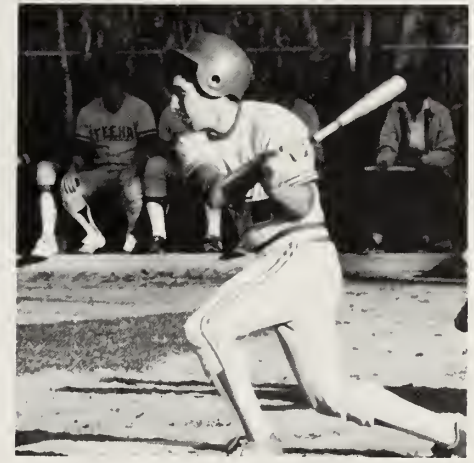

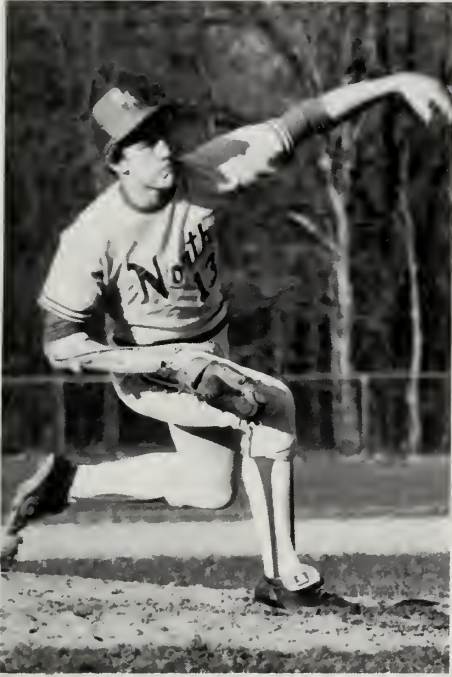

The Boys' Varsity Baseball team completed a satisfying season in tallying seven wins and nine losses this spring. Coach Jack Harris, however, felt his team possessed far more talent than this record suggests: seven of the nine losses were decided by one or two runs. Harris noted that the squad was "very competitive" and displayed good hitting throughout the season. Looking to the future, he believes that an assistant varsity coach would be a tremendous help. Also, he hopes to play more games under the lights to attract more fan enthusiasm and boost

the group's morale.

Junior Varsity Baseball coach, Jeff Grant was quite proud of his team's 14-7 record this spring. Although the varsity will lose several talented players to graduation, the younger players appear to have great potential for future successes.

Boys' Basketball

The Boys' Basketball team had a fairly successful season this year with an overall record of seven wins and thirteen losses while gaining fifth place in the Hockomock League. Throughout the winter, Captains Mike Smith and Mike Patch provided excellent leadership which helped overall team progress, and Coach Doug Dinardo was proud of the team's performance.

Highlighting the season, N.A. scored 93 points in a victory over Foxboro to record the second highest point total in its history. Also, for only the second time in fifty years, North beat Attleboro twice in a single season, 52-39 and 67-61. Bob Gonsalves, who led the squad in every statistical category except assists, received *All-Sun-Chronicle* honors. Also, Steve Lizotte's superb floor leadership and playmaking earned him All-Hockomock League honors.

The members of the Girls' Basketball team certainly must be praised for their talented performances throughout the season. Tallying eleven wins and eight losses they were ranked a respectable fourth place in the Hockomock League. Yet the squad's outstanding individuals deserved greater recognition, as did the team. When the season ended they were rewarded.

Junior Diane Dalton was named the most valuable player of the 1980 Attleboro Area Girls' Holiday Tourney. She also received *All-Sun Chronicle* honors and was selected to the Hockomock League All-Star team. Her classmate Jacquie Reece was also a key performer. She was selected to three All-Star teams—the Holiday Tourney All-Star team, the *Sun-Chronicle* All-Star team, and the Hockomock League All-Star

team. Senior captain Jennifer Copley was also chosen for the tourney team. Coach Rick Smith noted the experience and skill of several other members including junior Lisa Iacuzzi, an essential offensive performer. He was very pleased with her "great season" and noted the necessity of her contributions.

The team finished with high spirits winning its second consecutive Holiday Tourney. The girls defeated Attleboro in the final round giving them their only loss of the season. Coach Smith was pleased with the overall success of the squad. He believes that next year is promising as Dalton, Reece, Iacuzzi, and many other talented players will return. North's squad should be a strong threat to all opposing teams.

Cheerleaders

Who keeps up the spirit of North High? Our cheerleaders, of course! Mrs. Battista, in charge of the football and basketball squads, and Mrs. Bliss, for the Hockey and Soccer squads, had the time-consuming job of advising, coaching, and organizing this year's cheerleading activities. The year began with a car wash, bake sale, and a sale of sweatshirts. The money raised allowed the girls to attend cheerleader camp at Brown University during the summer. There, Lauren Tullie, Valerie Shumila and Carolyn Murphy were honored with special awards for their skills.

All squads of the cheerleaders hosted the first dance of the year—a great success. By then the cheering season had begun, and the fall squads took the field. The football squad was led by Lauren Tullie, and Sandi Phipps led the Soccer squad. Later, the winter teams had their turn: Lisa Horton and Deb Gaboury were co-heads of the basketball squad, and Suzanne Kummer led the Hockey squad.

The Competition Cheering squad is made up of girls selected from all squads. This year's captain was Lauren Tullie who led our spirited girls to an amazing record. They captured first place in their division and Grand Champion status at the Agawam Invitational. At the Western Regional competition, they won first place in their division. They won first place and a well-deserved spirit award at the Franklin Invitational. They hosted their own competition and sixteen squads attended. The Competition squad was given a special award by State Representative Kevin Poirier for good sportsmanship and excellence in representing North High Cheerleaders. It was a fitting end to a spirited year.

Cross Country

Prior to the start of the 1981 season, girls' Cross Country team coach Susan Young predicted that her girls' talent would "surface". That was quite an understatement; when all of their talents had "surfaced" the girls had achieved a spectacular undefeated season. They were named the Hockomock League Champions after defeating every league opponent by an average margin of nearly twenty points.

North's "dynamic duo" of juniors Maggie and Liza Dunn once again led the pack. Both were selected to the Coaches' All Star team, and Maggie received the G.A.A. award for the season's best scorer. Also both girls scored top places in the State Coaches' Meet which seems to have become an annual habit for the two. Together they have amassed a total of 38 medals in such meets during the past three seasons.

As outstanding as the Dunn sisters were, so too were the rest of the runners. Coach Young spoke of the meet with King Philip as the most exciting one of the year as it determined the league championship. At this meet the team was truly tested; pushed to the limit and beyond. They were pressured to excel and did so as many girls dis-

covered their true capabilities. An outstanding effort secured the victory and assured the success of the rest of the season.

Coach Young expects eight of her ten runners to return next year and the incoming Freshman class should supply new talent. With this in mind, she believes the next campaign should be equally successful.

The Boys' Cross Country team completed a very successful season this year tallying seven wins and only one loss. Yet two other teams, Foxboro and Stoughton, performed equally well, gaining the same impressive number of wins. Thus the three teams shared the title as Tri-Champions.

Coach Charles Ayotte noted several highpoints of the season but was especially pleased with the Foxboro meet. North's win marked the first dual meet defeat for Foxboro after nineteen straight victories.

Coach Ayotte also noted the fine individual performances throughout the season. He felt that three men really performed well for the team. These were Vinnie Brennan, Len Harmon, and senior captain Joe Hanley. Ayotte believe that they "showed their maturity as seasoned runners with their

overall consistency in placing." Of the three, Vinnie Brennan and Len Harmon each received All-Hockomock League honors.

The team finished second at the League Meet and eighth at the State Division IV Meet. Coach Ayotte is very confident and feels he has a "good nucleus returning next year." He is looking forward to another successful season.

Field Hockey

Although past Field Hockey teams have had their share of troubles, this year's squad did show improvement in several areas. On their way to a record of five ties and eleven losses, many individual team members performed well.

Led by a pair of talented senior athletes, Jennifer Copley and Paulette Bourgeois, the team had the potential to win. Coach Marcia Connors had noted the team's depth and felt it would be successful; the scoreboard simply would not confirm her beliefs. Yet she continued to have faith in her squad.

Coach Connors spoke of one game with Canton as an outstanding team performance—North held the league champions to a scoreless tie. She was also impressed with the performance of junior Maureen McDeed. "Moe" was selected as a Hockomock League All-Star and was elected to the *Boston Globe* All-Scholastic team as well. Cindy Jerauld received the G.A.A. award for the most valuable player while Sue Kummer was named the most contributing member. Freshman Laura Brunell was named the most improved player by her J.V. team mates.

Despite the disappointment that prevailed this season, the future is promising. J.V. Coach Susan Robinson was very pleased with her younger crew composed primarily of Freshmen. All of the fourteen players had begun the season with no previous experience; yet they managed to win eight games, losing only four. Thus, if interests do persist, the 1981 field hockey squad may be North's best yet.

Football

The mainstay of North High's spirit and activity is the football team. This year our team performed quite well and many individuals were recognized for their contributions. Coach Ray Beaupre was proud of the team's seven win, three loss record, one which ranked them second in the Hockomock League. Yet he noted that the highlight of the season was Rocketeers' nine to seven victory over Attleboro in the annual Thanksgiving Day classic.

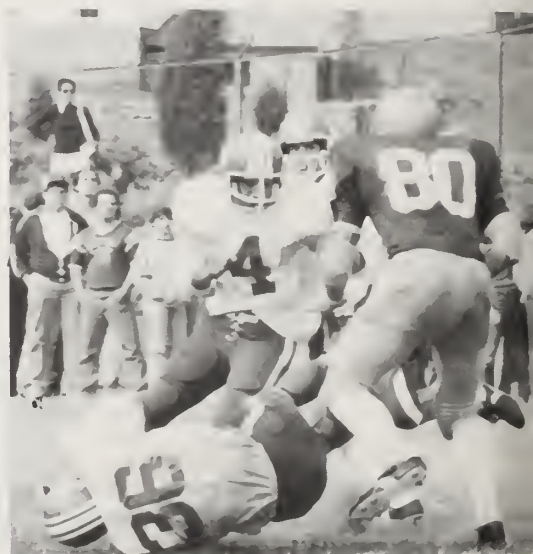

All-Hockomock honors were awarded to Steve Lizotte, Tom Bury, Chris Alderman, and Tim Crosta. Tim was also honored with the distinguished title of All-Hockomock Captain. Named to the *Sun Chronicle* All-Star team were Jim Rickard, Kyle Stone, Chris Alderman, Tom Bury, and Tim Crosta. Tim and Chris were also chosen out of a large group of high school athletes from the Northeast to participate in the 1981 Shriners' game. The game was played in Boston on June 20, 1981, and was televised on channel 56.

Although the football season had ended, Tim Crosta continued to be recognized well into the spring for his outstanding performances. The most distinguished of these was his induction into the National Football Hall of Fame. He and ten other Massachusetts students attended the sixth annual Scholar-Athlete Award Dinner sponsored by this foundation. Each year scholar-athlete awards are given for outstanding football ability and performance, outstanding academic application and achievement, and outstanding school leadership and example. Thus it is quite an honor. Tim is the first North Attleboro student to ever receive such recognition. Tim was also given Boston *Globe* All-State Honors, and is listed in *Who's Who Among High School Students*.

The Junior Varsity Football team also had an excellent season, tallying

seven wins, one loss, and one tie. The Freshman team ended with the same impressive number of wins, and both teams were ranked second among their competitors.

Coach Beaupre feels the future is quite promising. With current budget cuts, high school athletes may find themselves paying a price to play sports next year. Yet Football has proven itself to be as much a part of North High as its people, and it will surely remain so for some time. Coach Beaupre expects his Rocketeers will return at any cost and is confident of their capabilities. He looks ahead toward another winning season.

Kelly-Fisher Banquet

All the senior athletes of North Attleboro High were honored at the annual Kelly-Fisher Banquet on May 27, 1981. The dinner, held at the Elks' Hall, was made possible through the generosity of local business men, each of whom sponsored an athlete and paid for his dinner. Mr. Leco, Dr. Maurice Grant, Mr. and Mrs. Neil Harris, Mr. Pickering, and Mr. Louis Kelley sat at the head table for the proceedings.

The most distinguished award of the night, the Doctor Maurice L. Grant Award, presented to an athlete of high scholastic ability, was received by Tim Crosta. Everyone enjoyed the evening applauding our athletes.

In the past North's golfers have been frustrated and disappointed in being set back by a number of close matches. Yet this year's team performed remarkably well. North ranked third among the Hockomock League contenders tallying a total of nine wins, six losses, and one tie. Senior captain Steve Dion and junior Todd Ballou were both outstanding. They each received All-Hockomock League honors.

Coach Arthur Nunes spoke of the match with Canton as an impressive performance. He referred to North's win as "the first defeat of Canton in 100,000 years." He also spoke very highly of Steve Dion, noting that Steve was the most improved player he had ever coached over a four-year period.

Coach Nunes is quite confident and optimistic about next year. He expects an experienced crew to return and foresees another successful season.

Gymnastics

The Girls' Gymnastics team had a good season this year with six wins and six losses. Kathy Firth was selected to the Hockomock League All-Star team, and received the G.A.A. award for the highest point total. Heather Campbell received the G.A.A. award for the most contributing team member while Renee Guimond was named most improved by her teammates.

Captains Valerie Shumila and Sheila Bannon led the team to the Hockomock League Meet. In the floor exercises, second and third places were won by Kathy Firth and Heather Campbell. Lisa Dupelle won sixth place on the balance beam. Kathy Firth's vaulting won her fourth place and Sheila Bannon and Kerri LeBlanc won third and sixth places on the uneven bars.

Coach Marcia Connors felt "the team spirit was positive and very evident in the attitude and atmosphere for learning new skills." The team was quite large this year, but each of the thirty-two girls competed in at least

one meet. Coach Connors also noted that a Junior High program could be a great help in preparing young gymnasts for high school competition.

Hockey

North's Hockey squad has been continually disappointed in past seasons, compiling too many losses and too few wins. This season was not an exception. Yet the team's record of two wins, seventeen losses, and one tie was sufficient to secure a fifth-place ranking in the Hockomock League.

Once again the team possessed talent and potential. Coach Paul Davieau commended the performance of Steve Dion, a dedicated captain. Dion received a special coaches' award for his contributions. Davieau noted the improvement of Brad Maher, Armand Brunelle, and Brian Balut. He was also pleased with Mike Rego's and Rich Picard's performances in the final phase of the season.

Though North's skaters often have been discouraged, Davieau believes that next year should be one of great satisfaction. He expects quite an experienced crew to return.

Indoor Track

The Indoor Track team completed an outstanding season winning seven of its eight meets. Consequently the team was ranked second in the Hockomock League. Yet several individual members performed consistently well and were certainly deserving of first place status.

Coach Bob Aussant spoke very highly of senior Vin Brennan, an outstanding athlete whose contributions were unlimited. Vin established an Indoor Track Hockomock League record in the mile run with his time of 4 minutes and 26 seconds. He also captured first place in the mile at the Hockomock League Meet for the third consecutive year. He finished third at the State Class C Meet in the 1,000-yard run. Junior Len Harmon also excelled. Len finished second at the State Class C Meet in the 1,000-yard run. He also holds the N.A.H.S. record in this event with his time of 2 minutes and 18 seconds.

When the season ended, Vin, Len and senior Steve Burns received All-Hockomock League honors for their performances. In addition, Vinnie was elected as captain of the All-Hockomock League Indoor Track team.

Coach Aussant was very pleased with the team's accomplishments and believes a good many talented athletes will be returning next year. He is quite confident and feels another successful season is in store.

Soccer

The Soccer team displayed remarkable improvement this year despite more than a normal share of misfortune. Led by senior captains Gary Tinkham and Tim Betts, the team posted a fourth-place ranking in the Hockmock League and tallied four wins, ten losses, and one tie.

Head Coach Mike Suffoletto referred to the latter part of the season as "excellent"; during this period the team recorded three wins, three losses and one tie. Suffoletto commended this performance as four of these games were played against state tournament-bound teams. During this span North averaged almost two goals per game, and goalie Jeff Reardon recorded three shutouts. Yet Suffoletto noted that their "biggest achievement by far" was holding Franklin to a 0-0 tie. This cost Franklin the League championship by one point.

Individual improvement was also displayed by team members. Junior Brad Maher completed an excellent season recording an impressive ten goals-the highest number ever tallied during a

single season of play. The J.V. team also did well recording a total of five shutouts. Suffoletto spoke highly of the younger crew and feels he has a good stock of varsity prospects. Despite speculation as to the 1981 budget, Suffoletto is confident that the "soccer spirit" will remain even if the program is temporarily eliminated.

Softball

Girls' Softball Coach Paul Sullivan was proud of his team's rating in the Hockomock League. Captains Patty Bunker and Kathy Mulligan led the team throughout the season which ended with a record of twelve wins and nine losses. Also, Kathy Mulligan received All-Hockomock honors for her outstanding performances.

Coach Sullivan commended his team and felt the season began and ended on a positive note. "We are capable," he said, "of beating any team in the league as our victories over three of the four top teams will attest". He feels that, although he is losing valuable senior players, he does have fine athletes returning next year. Thus he is confident that next year's squad will be successful.

The Girls' Junior Varsity team also enjoyed a satisfying season tallying thirteen wins and five losses. This

year's team consisted of eleven sophomores and seven freshmen, all of whom performed well and have great potential. J.V. Coach Joanne Sizemore was proud of her team and feels that several younger players are prime candidates for next year's varsity squad.

Girls Spring Track

Lynn Billingkoff, Jennifer Copley, and Lauren Tullie led the Girls' Spring Track team through a superb season. Coach Steve Robertson and his assistant, Dwight Estey, were quite proud of the team's perfect twelve win, no loss record. For the third consecutive year, the girls were named Hockomock Champions. They won second place at the South Shore Meet, and sixth place at the State Meet in Class C—an excellent accomplishment. Coach Robertson said that it was a "superb season of great accomplishment by individuals and the team with thirty consecutive victories over a three-year period." He also noted the importance of his assistant coach in keeping the team on the "winning track".

Among the individuals who excelled were Jennifer Copley and Lisa Rush. Both of these girls received All-State Class C honors for their outstanding performances throughout the season. All-Hockomock Honors were also awarded to Jennifer Copley and Lisa

Rush, and to Maureen McDeed, Sue Moreshead, and Karen Hjerpe.

Coach Robertson is confident that the girls will continue to win. Though he is losing many talented seniors, he feels he has a fine stock of underclassmen who certainly have shown their capabilities. Thus he believes that if the 1982 squad continues to work hard, they may again be just as successful.

Boys' Spring Track

Boys' Spring Track coach Robert Aussant and assistant coach Charles Ayotte certainly are proud of their 1981 squad. Captains Vin Brennan, Steve Burns, and Mike Smith led the team through an impressive unbeaten season. In dual meet competition, the Rocketeers topped every opponent. The team placed first at the J.J. Kelly Relays, and won the Hockomock League Meet with 103½ points, clinching the League Championship in the process.

Several team members were recognized for their outstanding performances throughout the season. All-Hockomock League honors were awarded to the 4 x 100 meter relay team of Len Dieterle, Ted Barrett, Bob Marcotte, and Kyle Stone, and to Len Harmon for the 800 meter run.

In post-season competition, the team went to the State Meet in the Class C division and won seventh place. Len Harmon excelled in this meet by winning second place in the 800 meter run. Fourth places were won

by Len Dieterle in the 200 meter run, Mike Rego in the discus, and the 4 x 400 meter relay team of Tom Tullie, Steve Burns, Vin Brennan, and Len Harmon.

The entire team especially was proud of one particular runner—Lenny Harmon. Throughout the three years that Lenny has been on the team, he has progressed at an explosive rate and has excelled continually. As a junior, he has proven himself as a mature and conditioned runner who seems to know no limits as to what he can achieve. This year he performed a stellar feat by winning the 800 meter run at the New England Track and Field Championship, beating a select group of New England's finest athletes. As this is the first year of full conversion to metric distances, Lenny now has the distinction of holding the record time in this meet for the 800 meters. Track fans eagerly are awaiting next season to see if Lenny can do it again. We think he can.

In the short time that tennis has been a varsity sport, North has amassed an impressive record. However, this year's squad's records are not as impressive. Both the Girls' and the Boys' Tennis teams suffered because of the uncertainty caused by "Proposition 2½." There was speculation that tennis would be cut from the school's budget.

Coach John Wood and captain Bill Kelly led the boys' team through a tough season. They tallied three wins and thirteen losses. They had lost many of last year's senior players, yet their deficit was due largely to the loss of potential players. The girls' coach, Anne Gilson, emphasized this same point. She noted that several would-be players opted to join track instead of

tennis because of uncertainty of the future. Thus the girls' squad also had a disappointing season. Coach Gilson noted that no matches were played with the entire team present. As such, no player could become used to a single position. Yet she commended the performance of captain Pam Alix, seniors Elyse Marks and Mary Bullock, and sophomore Cathy Rego.

Coach Wood feels that canceling the tennis program would be a serious mistake; tennis is a sport that can be played throughout life, and as such is an important one to keep in the school's sports program. It can only be hoped that financial problems soon will pass, and that the tennis teams will be playing in top form next year.

Art Club

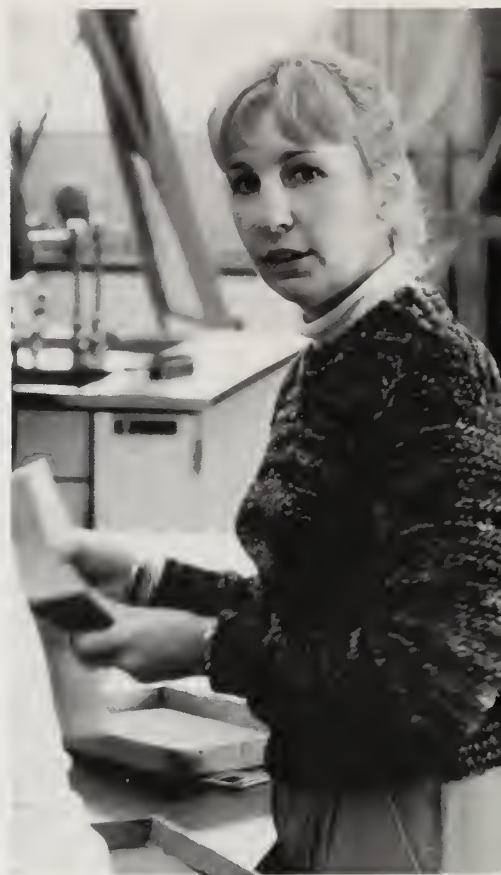

The Art Club indeed has become one of North's most active organizations in a very short time. For the third straight year, the club was advised by Miss Carolyn Wachta and Mr. Brian Marsden, its founders and faithful supporters.

Throughout the year the club sponsored bake sales at Fernandes, Stop and Shop, and Almacs supermarkets. At Christmastime, they held a successful dance which featured a visit from "Santa Claus". They also raffled off a television set and sponsored a skate party at Bobbie's Rollaway.

This year's officers were president Linda Arnold, vice-president Tracy Botsford, treasurer Karla Hanson, and secretary Lori Pepi. They led the club throughout the year and during its most exciting trip, a visit to New York City in the spring. The trip started out on the cloudy side, but cleared up soon and everyone enjoyed himself. The club visited the impressive Whit-

ney, Guggenheim, and Metropolitan museums. They also saw a Broadway play, "Deathtrap". The trip was an enjoyable experience for all.

The Art Club plans to continue its annual New York trip. Its advisors hope to include many new events to make future years as interesting and enjoyable as this one.

College Bowl

With smooth-talking Emcee Mr. Vincent Baldasaro running the home meets once again, the 1981 version of the College Bowl team proved a great success in capturing five victories in six competitions. This year's squad consisted of Pam Alix, Dave Crawford, Tim Crosta, John Dromsky, Drew Fernberg, Ben Kudrick, Jack McCann, and Laurie Smith. However, Kelly Gilbert filled in against Attleboro, and Advisor Sandy Dennis felt that she and all of the members did an "excellent" job.

Drama Club

The Drama Club started the year off well under the leadership of its President, Lori Pepi. David Fuller served as vice president, Chris Beard as secretary, and Laurie Smith as treasurer. Kevin Fish was this year's scribe.

Under the direction of Miss Judith Cobb, the club staged *A Christmas Carol: Scrooge and Marley* for three performances on November 21 and 22, 1980. The cast included students, parents, and faculty members. Among those participating were Miss Daley, Mrs. Dennis, and Mr. Makepeace.

On February 7, 1981 three students directed one-act plays which were performed. The plays were entitled *Tomorrow is the Day*, codirected by Allison Gifford and Mary Beth Turcotte, *The Betrothed* directed by Lori Pepi, and *Antic Spring* directed by Jacquie Harrop. The latter received the award for the best play. David Fuller was named Best Actor for his performance in *Antic Spring* and Sue Gauthier was named Best Actress for her role as Vera in *The Betrothed*. Laura Cornell, Kelly Gilbert, Kurt Anderson, and Jacquie Harrop were also commended for having performed well.

On April 10 and 11, 1981, the Drama Club staged its Spring musical production *You're a Good Man Charlie Brown*. The club organized a fine promotional campaign for the play, and it was quite successful.

The Drama Club was also very active throughout the year sponsoring fund-raising activities. The club sold Christmas ornaments and t-shirts, and also held several bake sales. They also sponsored a successful dance-a-thon during February vacation. Also, many drama students attended plays throughout the year at the Trinity Square Theater in Providence, Rhode Island.

On May 20, 1981 the members of the International Thespian Society held their annual banquet, induction, and awards ceremony in the theater. The new inductees were Pam Bathen, Deborah Arabian, Kurt Anderson, Pauline Carlson, David Brunell, Steve England, Debbie Fisher, Frank Meekins, Debra Flamand, Sue Gauthier, Nancy Greaves, Allison Gifford, Ken Harrison, John Stolworthy and Mike Mullen.

Distributive Education

The Distributive Education Club enjoyed quite a successful year under the leadership of its president Stacy Bouchard. Much money was raised throughout the year which enabled the students to travel to several distant conventions.

The club's members began the year by organizing a successful sale of "Tumblers." They then held a dance and raised quite a bit of money which was donated to the United Way. They also sold advertisements for the *Northern Light* Yearbook during the first months of school.

In addition to sponsoring fund raising activities, DECA's members also manage and operate the school store, "Ralph's Corner." They met with much success this year as many students frequented the store.

The club first attended the North Atlantic Regional Conference which was held in Toronto, Canada, in November 1980. Then they traveled to Sturbridge, Mass., for another conference. While in Sturbridge the students stayed at the Sheraton Hotel. A good time was enjoyed by all who attended.

Students who received recognition

at The Sturbridge conference then went on to participate in the State convention held in Hyannis, Mass. The convention provided an opportunity for the students to compete among others in their fields.

Advisor William Flannery believes that DECA is expanding at a rapid rate and hopes that its members will utilize the business experience they have acquired. He feels that the club is a very necessary extracurricular activity and hopes that North will continue to offer such first-hand experience in the business world.

During the past few years at NAHS, the annual elections—for class offices, Student Council, and the SAC—have gained increasing importance. More and more students are running for office, and the size of campaigns has increased in proportion to the number of candidates.

While Election Day approached this spring, freshmen, sophomore and junior hopefuls hung up posters all over the hallways. On the morning of June 9th, the candidates—nervous newcomers and seasoned veterans alike—faced their public with promises of what each would do "if I'm elected . . ." In the afternoon, however, students cast the final vote as to who would run the school government for the following year. And, with the aid of the computer, the daily announcements featured same-day results with the winners rejoicing (and the other candidates rumored to be already planning next year's campaigns).

Father-Daughter Dance

On January 17, the Student Council remodelled the high school cafeteria for "another" Saturday night of good food and light-footed dancing at the annual Father-Daughter Dance. Those who attended thought that this year's event was much improved over last year's dance. The band, "Lotus", was especially well-received by the couples with its entertaining blend of popular music. Mother's Catering Company catered to the dancers' appetites. Throughout the evening, the members of the sponsoring Student Council

worked as ushers, and the event proved very successful for both the Council and all of those who participated.

The Girls' Athletic Association is an important part of North's sports program. Each year its members raise money to purchase trophies for outstanding athletes on the girl's sports teams. This year the G.A.A. held many bakesales at local supermarkets and sponsored a successful spring dance. The dance, advertised as North's final "fling", featured a "New Wave" band called "The Mints" and was visited by far out "punk rockers" from the senior class. The G.A.A. also held a banquet at the end of the year, but kept an ample sum in its treasury for next year's crew.

Freshman - Sophomore Social

The annual Freshman - Sophomore Social was held in the pastel decorated Cafeteria on May 2, 1981. Dancing to the music of "Lotus" followed a catered meal. The theme song, "The Best of Times" echoed in the memories of the members of the classes of 1983 and 1984 who attended.

Honor Society

Under the supervision of Elaine Bedard, the Honor Society once again took it upon themselves to sell advertisements and football programs this year as a main fund-raising and service project. Career Day was another success for this year's group as it attracted a great number of college representatives and interested students. An additional service project occurred when several members visited Sturdy Hospital's pediatrics ward on Halloween to distribute candy to the patients.

The highlight of the year was the group's ski trip to North Conway, New Hampshire which took place on the weekend of February 27, 1981. It was a trip enjoyed by all.

The annual induction banquet for the 43 new members was held on April 13, 1981. A total of 20 seniors, 12 juniors, and 11 sophomores were inducted.

The concluding activity for the year was the Awards Assembly which was held on May 20, 1981. The year was quite a success for the Honor Society.

Junior Prom

The members of the Junior Class gathered at the Biltmore Plaza Hotel in Providence, R.I. on April 22, 1981 for the annual Junior Prom. The evening was very exciting; prom-goers were particularly impressed by the Biltmore's elegant atmosphere.

Photographs were taken when the couples arrived at 7:00 p.m. Several savory dishes were then served at 8:00 p.m. The meal featured Roast Beef or Baked Stuffed Shrimp; both were quite appetizing. Prom Queen Patty Brunell was crowned at 9:15 p.m. She shared her first dance with John Croke as the

band, UVL, played the evening's theme song, "Wonderful Tonight." Couples enjoyed the gala evening of dining and dancing at the Biltmore Plaza.

Latin Club

The North Attleboro Junior Classical League is a branch of the Massachusetts JCL which is part of the National JCL. Advisor Phyllis Thibault and the Latin Club officers planned a busy year. The Consul, Lisa Achin, had a fine group of officers to work with; Laurie Beaulieu was the vice-consul/scribe, Cheryl Slowe was the treasurer, and Heather Cody was the historian.

In the Fall the Latin Club held a Literary Contest which was won by Kathy Firth. Also in the Fall, they attempted to make a catapult. In October the club went to the Boston Museum of Fine Arts to see the Classical Exhibit, an impressive sight. November brought their annual bake sale, always a big success. The club also held a midwinter Saturualia festival at Lisa Achin's house.

In January, the club held its major fund raising activity, the Slave Auction. Students were sold to other students as slaves by autioneers Chris Beard and Laurie Smith, and were required to perform services for their "masters" for one week. The February activity was sponsoring the showing of a mov-

ie, "Hercules." In March the club went to Boston to participate in Classics Day with other JCL's in Massachusetts. Rich Pierce was honored with a first place award in Academics. During April, the club showed another movie, "The Fall of the Roman Empire," attended by all. Finally, to end their year, the JCL held a spring party in May in honor of Lupercalia.

Model U.N.

Once again the International Relations class, with advisors Vincent Baldasaro and Rolf Tallberg, packed their suitcases and left for Boston. This year the Harvard Model United Nations was held at the Park Plaza Hotel in Boston, December 6-8. Twenty-one NA students attended the conference and had the chance to meet with other students from across the country.

Harvard's program was quite agreeable as time was allotted for learning as well as enjoyment. The students wrote resolutions concerning current issues and then participated in delegate meetings and caucuses. A dance also was held on Saturday night. Advisor Vincent Baldasaro felt that the trip was quite successful and hopes that North will continue to offer the course in the future.

Model Senate

This year's Model Senate was held at Franklin High School on April 30 and May 1, 1981. Twelve NA students attended.

On the first day, special committees were formed to discuss several bills. Then the bills which were passed were sent to the Rules Committee where fifteen were chosen for debate.

The second day was spent in general session. Of the fifteen bills chosen, three were submitted by NA students. Debbie Mandell's bill received special recognition and was debated on the floor.

The topics debated at this year's Model Senate were federal funding for abortion, the banning of advertisements for alcoholic beverages, and the blue laws.

There was much heavy debate this year in which North's representatives participated actively. All who attended felt that the conference was very successful.

Music

Along with the many halftime performances throughout the football season, the NAHS marching units appeared in the Boston 350 Parade this fall, and the band, color guard, and drill team marched in various local parades during the course of the year. The former Band Advisor, Mr. Dillard Collins, and Drill Team Advisor Teal Shaw expressed the same sentiments in concern with the future: the need for more student participation and work toward producing even more difficult and "flashier" halftime shows for the Big Red's games.

As the third quarter drew to a close, Band members were sorry to say good-bye to their dedicated instructor, Mr. Dillard Collins. During his short stay as North's Band Director, Mr. Collins had won the respect and admiration of his fellow teachers and the devoted friendship of his students. In just one short year he had organized the Band and had helped its members raise enough money to travel to Washington D.C. Yet he was forced to move to New Hampshire because of other job commitments. He will be sadly missed by the friends he left behind.

With his performance of "Somewhere" at Graduation and Class Day, Michael Kelley completed four years of sharing his musical talents with NAHS and the surrounding area. Beginning as a freshman member of the Choral Ensemble, he sang with them throughout high school and directed the group in his senior year. Also Choir soloist for 1979, 1980, and 1981, Kelley's talents were recognized by his election to the Southeastern Mass. District Chorus in his final year.

Student Activities

Mrs. Sandra Dennis, the Student Activities Coordinator this year, organized a number of activities and entertainments. Films were shown of football games and skiing, and feature movies shown included "China Syndrome," "Watership Down," "Fame," and "Romeo and Juliet." For dramatic entertainment, there was an assembly entitled "Shakespeare's World", and a Kitchen Sink Mime Theater workshop was held for interested students. For the politically-minded, the school ran mock national elections, and students viewed a live debate by UMass Students on nuclear power. Also, the Navy Band made its annual appearance, and the College Bowl team again played its home matches before packed houses. Students also witnessed the premier performance of a student band, "Lightning Strikes Twice", otherwise known as "LST".

Homecoming

The cheerleaders and marching units kicked off a festive Homecoming Day on November 8, 1980 by leading a parade of the class floats from the Falls to the High School field for the Mansfield game. After having been crowned at the night rally prior to the game, Queen Lauren Tullie presided over the day's activities with the help of her court: seniors Jeanne Reinbold and Gretchen Schofield, juniors Meeghan

Hoye and Tracy Kelly, sophomores Peggy Achin and Megan Schofield, and freshmen Angie Colletto and Tracey Dean. This year, however, the Sophomores had the privilege of riding on the first place float. Although Mansfield's Hornets were the victors, everyone who was involved enjoyed the excitement and beautiful fall weather on this Saturday afternoon.

This year, the *Northern Light* relocated to its new home, the converted former "senior pit" in the school's lobby area. The move was not without its problems—lack of climate control, storage equipment and bulletin boards, for instance. But the new office's location and display window area have provided the yearbook staff with much-needed additional work space and much-enhanced visibility.

The latter point is a critical one. As North's only surviving student publication, the yearbook's importance to student life has increased in large measure. This importance has required even-greater levels of commitment and effort from staff and editors. With two or three notable omissions, the persons pictured on these pages have provided that commitment and effort. The 1981 *Northern Light* is their success.

Classes

The Class of '84 began its first year at North by sponsoring a successful bake sale in the fall. Their class president, Kacy Achin, then signed a two year contract for class rings which Freshmen will purchase next year as Sophomores. She and her classmates also organized the ever-popular Freshman Dance in March, its theme being "green" in celebration of St. Patrick's Day. The annual Freshman-Sophomore Social was also held in the spring and was successful. To end its year of activities, the Freshmen ran a concession stand at the town's annual dog show in June.

The "silly silly Sophomores" were involved in many activities throughout the school year. They began planning at the end of their freshman year by electing Leslie Paquin as their president. Megan Schofield was chosen as second in command and Peggy Achin and Mark Farnell were the secretary and treasurer, respectively. The class' advisors, Mrs. Sandra Dennis and Mrs. Jean Armstrong, gave generously of their time and talents throughout the year.

One of the Sophomores' most successful fund raisers was a magazine drive which earned \$1,000.00 for their treasury. A fund raiser held in October gained them another sizable profit. They organized a successful Valentine's Dance in February and the Freshman-Sophomore Social.

The Class of '82 completed a very active year under the direction of Mr. Brian Marsden and Miss Diane Francis. They elected Tracy Kelly as their president for the third straight year, and Brian Duplisea as their vice president. Janice Healey was chosen as secretary and Lisa Achin served as treasurer. The Juniors seemed ever-present at Football and Basketball games, both in the stands and on the sidelines selling candy to the fans. They also organized a successful candle sale. On April 23, 1981 they dressed with "class" to visit the Biltmore Plaza for the annual Junior Prom. Their final activity was the Variety Show which was a big success.

Seniors realized quickly that their last year at North would be their busiest; Class President Jack McCann began fundraising two months before school started by organizing a summer car wash. Seniors sold wrapping paper during the fall and raised quite a bit of money. These funds helped pay the tab at the Sheraton-Mansfield Inn when the Class of '81 sponsored the annual Senior Prom.

"Senior-itis" was quite contagious as early as April when graduation activities were still in the planning stage. The first of these to be held was the Awards Assembly. The Senior Luncheon (otherwise known as the Pizza Party) was held on June 2nd, in the cafeteria. It was very well attended; a total of 600 slices of pizza were consumed. Formal and Informal Class Day were both held in June 3rd. Seniors gathered to receive their diplomas on June 7th and attended a reception the following night.

Student Council And S.A.C.

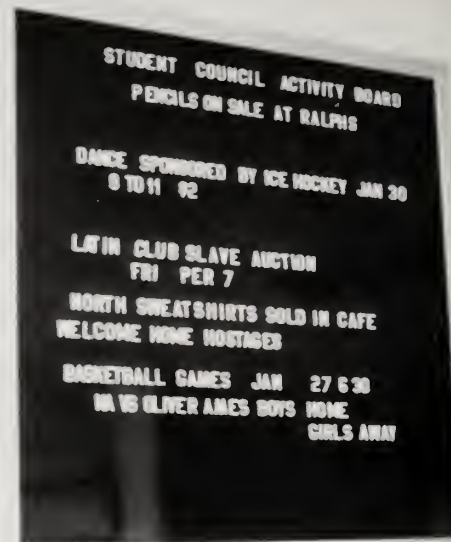

The Student Council completed a very successful year under the direction of Mrs. Sandra Dennis. The preceding spring officers for the council were elected from among the current members. The new president was Lynn Billinghoff whose officers were vice-president Lauren Tullie, secretary Jennifer Copley, correspondence secretary Meeghan Hoye, treasurer Paula Metrano, and sergeant-at-arms Karen Kroll.

Soon after the officers were elected, the student body chose those who would serve on the Council as representatives of each class. Seniors elected Lindley Candelet, Tom Tighe, and Paulette Bourgeois. The Junior Class chose Carolyn Murphy, Linda Swenson, and Shane Rioux to represent them. The sophomores elected were Jill Danko, Dave Patterson, and Len Dieterle. Once the Freshmen held their vote, they chose Angie Colletto, Bon-

nie Wheeler, and Kris Brauner.

The Student Council sponsored a vast number of activities this year. They began in early autumn to organize Spirit Week which proved quite successful. The student body participated in Dress-up Day and Tag Day. The council also organized Health Awareness Week and the Freshman Orientation in the fall. During the winter months they sponsored the Father-Daughter Dance, the Blood Bank, America's Great Smoke-Out Day, and Food for Friends. They also held car washes and bake sales, and sold pennants at football games.

When reviewing the service the Student Council provides, it becomes clear that it is one of North's most active organizations. Its advisor and current members are quite confident that it will continue to be active in serving the school.

Variety Show

This year's Junior Class sponsored the annual Variety Show on May 30, 1981 in the auditorium. Karen Kroll and Tom Tullie emceed the evening of mayhem and music which featured outstanding performances by Lori Pepi, Jacquie Reece, and Stacy Bouchard. The crowd roared at the appearance of "AC/DC" and the "Jackson Five", and the Junior Class Skit which spoofed *The Newlywed Game*, had everyone rolling in the aisles. Yet the most memorable performers of the evening were Mr. and Mrs. Dennis, the show's directors. The talented duo sang a Beatles medley and "Bette Davis Eyes." As the final performance, they received a standing ovation from the crowd. Seemingly, this year's show will be a hard act to follow; it received rave reviews as a smashing success.

The editors, staff and advisors of the 1981, *Northern Light* extend special thanks to Dan Smith of Josten's/American Yearbook Company and Joe Geoffroy of Hargreaves Studio. Without their aid, preparation of this book would have been impossible.

The eulogy, page 5, was composed by Barbara Carr, English teacher. The "speed limit" and "one way" sign motifs were designed and printed by Allen Makepeace, Graphic Arts teacher. The cover design and the calligraphy on page 11 were done by Linda Arnold. The motifs on the title, and division pages were designed and drawn by Ruth Broughton.

Composed, printed and bound by Josten's/American Yearbook Company, State College, Pennsylvania.
